Dear Jay and Ari,

Attached is the invoice for the production you requested. Please send a check for \$2,000 made payable to Hagens Berman Sobol Shapiro LLP per our agreement, and we will provide you with the duplicate copies of 68 disks and 2 hard drives.

Unfortunately, two CDs were corrupted (namely NCAA10128784 and NCAA030-NCAA031), so you will have to ask for duplicates of those two directly from the NCAA.

Thanks,
Beth

Beth,

The cost is fine, but let us know who the vendor is -- we want to discuss formatting before they make the copies.

Ari

Hi Jay and Ari,

We are having the NCAA productions duplicated today -- there are 70 CDs/DVDs and two external hard drives. The estimated cost is \$2,275, and we will ask that you reimburse us \$2,000 (basically the cost of the media itself). The breakdown is below (and we will provide you with the final bill):

Duplicate 1 set of 70 DVD's / CD's @ 25.00 = **1,750.00**
Copy over two (2) Hard Drives of data to (2) two external drives = **300.00**
Tech Time Services estimated at (1) one hour **150.00**
Courier p/u charges : **50.00-75.00**
DTI will Return Deliver (No Charge)
Total Cost Estimate: 2,275.00

If you have any questions or concerns, please let me know. The timing is estimated to be by the end of the day tomorrow.

Regards,
Beth
